PEOPLE
INSIGHTS
SOLUTIONS
A BRIGHTER TOMORROW

MISSION

CLIENT-FOCUSED SOLUTIONS
Provide business solutions to clients and strive to exceed expectations through commitment, adding maximum value to their businesses.

GLOBAL REACH & SOPHISTICATION
Address sophisticated matters locally, nationally and internationally.

HIGH-QUALITY SERVICE
Provide high-quality, reliable and prompt professional business consulting services to corporations and individuals worldwide, helping every associated client prosper in their field.

VISION

1. Become a leading, recognized and highly reputed international accounting and consulting firm in the region.
2. Expand the network around the globe and aspire to become a top-ranked consulting company worldwide.
3. Be known as the most trusted business advisor in the marketplace.
4. Be the first choice for talented professionals seeking rewarding careers.
5. Be a highly respected professional firm where clients enjoy peace of mind, their interests are cared for, and a dedicated team enjoys working with them.

OUR CORE VALUES

Our core values are trust, confidence and strong client relationships. Success depends on client trust. Solving the hardest and most complex problems requires the best people. Attract talented people through opportunities to tackle challenging problems, and build the firm around this belief.

TRUST
Help clients reach financial goals and maintain financial independence throughout a comfortable retirement. Guide difficult decisions on asset allocation, investment-performance monitoring, college education funding, retirement plans, insurance, tax, estate planning and business succession planning.

CONFIDENCE
Provide efficient and effective auditing services. Employ career audit professionals who create value for clients and their personnel, act as patient and compassionate fiscal educators, and always keep communication lines open.

RELATIONSHIP
Understand the needs of clients' offices and their business operations. Strive to be an active, open partner. Deliver a positive experience working together and develop key relationships for the future.

EXECUTION & ANALYSIS

BUSINESS PLAN — EXECUTION

01 Sales & marketing plan
02 Operations plan
03 Human resource plan
04 Projected profit & loss — 5 years
05 Projected balance sheet — 5 years
06 Projected cash flow — 5 years
07 Industry & market analysis
08 Project risk analysis
09 Growth strategy & exit plan

MARKET RESEARCH — EXECUTION

BUSINESS VALUATION — STARTUPS & OPERATING COMPANIES

- Blended valuation method
- Comparable transaction analysis
- Precedent transaction method
- Net asset value method
- Discounted cash flow analysis
- Market multiples method

Company valuation | Equity valuation | Asset-based valuation

Comparable and precedent transaction labels can refer to overlapping transaction-based approaches.

FEASIBILITY STUDY — FOUR DIMENSIONS

01 TECHNICAL

- Hardware & software
- existing or new technology
- manpower
- site analysis
- transportation.

02 MARKET

- Industry type
- prevailing market conditions
- future market growth
- competitors & potential customers
- sales projections.

03 FINANCIAL

- Initial investment
- sources of capital — banks, investors & venture capitalists
- return on investment.

04 ORGANIZATIONAL

- Business organizational structure
- legal structure of the business or specific project
- management team's competency, professional skills & experience.

FINAL SERVICE FOCUS: Relying only on templates creates risk. Assess new or replicated business models through feasibility research and modeling to reduce failure risk, focusing on the company's value-creation processes.
